Acknowledgments

Some acknowledgement phrases. Examples:

- *We cannot express enough thanks to my committee for their continued support and encouragement: ...*
- *Our completion of this project could not have been accomplished without the support of ...*
- *Finally, to our caring, loving, and supportive, our deepest gratitude.*
- *Our heartfelt thanks....*

Abstract

Title of Report Centered and Double-Spaced

Indent and begin abstract here. It should be a concise statement of the nature and content of the report. The text must be 1.5-spaced. Abstracts should be limited to 400 words. The abstract paragraphs should include: the motivation (why do we care about the problem?). The problem statement (what problem are you trying to solve?). Approach (how did you go about solving or making progress on the problem?). Results (What's the answer?). Conclusions (What are the implications of your answer?)

List of Figures

General Introduction

Describe the background of the project work. Establish the context. Discuss why this problem is important. Briefly describe the development process you will follow. Write a summary about each chapter included in your report.

Chapter One:

1.1. Title 1

1.1.1 subtitle 1

1.1.2 subtitle 2

1.1.2.1 *title*

1.1.2.2 *title*

1.2. Title 2

.....

Chapter Two:

Chapter Three:

General Conclusion and Future Recommendations

Summarize the problem you set out to solve, refer back to the problems you encountered and how you overcame them. The conclusion section shouldn't contain detailed descriptions of the problems and solution. Discuss potential future recommendations.

Appendices

Typical contents of appendices include: code listing, detailed analysis and design models, maps, diagrams, user manual (Screen shots), or any similar data that are not contained in the body of the report and should be provided in the logical order they are mentioned in the main body.
